Here are some, but not limited to the following insights concerning change down below:

- 1). Depending on the situation, change can be a good or bad thing.
- 2). Change can be instant, gradual or possibly never.
- 3). Being awakened and enlightened can change the status quo.
- 4). If you want positive change, outcomes and results, you need to listen to and/or hang out with those who can help and improve you. After all, people tend to be the byproducts of their environments.
- 5). Many people fail to change for the better, improve or succeed because they allow their egos to get in their way.
- 6). For positive change, outcomes and results, one has to acknowledge and accept there's a problem that needs to be dealt with accordingly.
- 7). For positive change, outcomes and results, use these two quote down below: (A and B)
 - A). Insanity is doing the same thing over and over and expecting different results – Albert Einstein (credited)
 - B). You can avoid reality, but you cannot avoid the consequences of avoiding reality – Ayn Rand
